

Pasco-Hernando County SCORE Chapter 439

Presents

Advanced Use of QuickBooks

This two-hour seminar is designed for persons that have some reasonable experience using the basics of QuickBooks, but who would now like to benefit from its many more advanced features. Our other "Introduction to QuickBooks" seminar, or familiarity with its content, is assumed as a prerequisite to this seminar.

Presented by

Mike Kouremetis holds a bachelor's degree in mathematics from the University of Florida and an MBA from the University of Kentucky. Mike has held executive positions in technology operations for Nationwide Insurance and Bank One Corporation. Previously, Mike was an executive in the strategic outsourcing practice within IBM Global Services. During his 31 years with IBM, he held a number of increasingly responsible roles in IBM's internal information technology, industry solutions, and managed several services businesses.

and

George Motran holds a Bachelor Degree in Accounting and Management from the University of Montreal. He is a member of the Institute of Management Accountants, Tampa Chapter. George brings over thirty years of management and accounting experience to the Pasco community, having worked as a Controller, General Manager, and a Consultant for both national and international Fortune 500 companies, such as Tyson Foods, Multifoods Inc., Cascades NA, and Novartis.
