

# How to Manage & Grow Your Business

This seminar is intended to provide business owners with insights into... How you manage and grow your business. How to deal with continual change, updating the business plans, and improving your cash at the bank by analyzing your results. How to come up with goals for your business and to achieve these goals. You will learn the tools that you need to be a better manager for your business.

### *Conducted by*

**George Motran** holds a Bachelor Degree in Accounting and Management from the University of Montreal. He is a member of the Institute of Management Accountants, Tampa Chapter. George brings over thirty years of management and accounting experience to the Pasco community, having worked as a Controller, General Manager, and a Consultant for both national and international Fortune 500 companies, such as Tyson Foods, Multifoods Inc., Cascades NA, and Novartis.

### *Highlights (Teaching Points) Of This Seminar:*
